

RAL

RAL 9005

RAL 9010

Power coating process provides a more durable finish than liquid paints can offer, while still providing an attractive finish. In addition to being durable, powder coating is an attractive choice due to environmental advantages.

Please refer our elaborately selected standard RAL colors where is applicable.

Natural Oak

Because of its beauty, elegance, functionality, sturdiness, wood is an all the time preference as furniture material and it is easy blend with any theme and style.

Wood is a natural and heterogeneous material therefore end products will ever have the exact same appearance, will have its very own and unique texture.

* Actual size of the printed area is 200x133 mm.

* Size of the section view 64x60 mm.

SCRATCH PROOF

LAMINATES

Carbon Black 8101

Carbon White 8102

Carbon Anthracite 8103

Carbon Beige 8104

Carbon Gray 8105

Carbon Sand 8106

A distinctive surface treatment on our scratch proof laminate's decorative layer gives a silky and smooth tactile user experience. Its high resistance to micro-scratches and abrasion helps avoiding surface distortions and gives a lasting impression.

In the event of a light scratch, the surface can be cleaned with a soft cloth to get it back to its original form. It is extremely matt and near to zero gloss with intensive light absorbance and homogeneous color dispersion.
